Sept - 2016

President's Message:

Chris Dardeau
President

This year's theme "Rotary Serving Humanity" could not be more appropriate. I have seen on a local, district and national level the outpouring of support to those in need from the recent flood. On behalf of the Rotary Club of Abbeville, I would like to express our deepest sympathies to our fellow members, residents and businesses

throughout the state who have suffered during this disaster. Our Rotary leadership team will now start determining the needs of our community during this crisis so that our club can effectively "Serve Humanity".

On a lighter note, September is designated as Basic Education and Literacy month for Rotary. The board has approved the purchase of two e-readers which will be donated to Kaplan Elementary which sustained flood damage. Also, the board has approved the purchase of used books from Vermilion Parish Library which will be donated to start the library at Lighthouse Christian Preparatory School. In continuing with last year's successful Book Fiesta, we take a break from our weekly meeting on September 28th and meet up at Azul Tequila but to get in you have to bring a book. All books collected from the Book Fiesta will also be donated to Lighthouse. Looks like Junior Auxiliary will be bringing books and drinking margaritas with us. The more the merrier.
